Angling Limits:

Anglers may catch the limit for each fish species on a single day. At any time, possession limit is no more than the limit for each species. This limit includes the fish you have while fishing, at camp, during transportation and at home.

- * Northern Pike - 4
- * Walleye/Sauger - 3
- Burbot - 8
- Goldeye - 8
- Perch - 25
- Sturgeon - 0 limit

* See note above on Tobin Lake.
 Only 1 walleye/sauger may exceed 86 cm (33.9 in.)
 Only 1 northern pike may exceed 115 cm (45.3 in.)

- ▲ - ICE FISHING

Walleye

1. Tailwaters of Francois-Finlay Dam - primarily jig fishing
2. Controlled drift fishing 7' - 17' depth - bottom bouncers, spinners, jigs or crankbaits (plugs)
3. Controlled drift fishing 7' - 17' depth - bottom bouncers, spinners, jigs or crankbaits
4. Eagles Nest - popular Walleye area - Bald Eagle family nesting here
5. Pemican Point - excellent structural area for Walleye - jigs preferred
6. Carroll's Cove - sharp drop offs - jigs used
7. Very popular jig fishing point - sandy bottom
8. Prudens' Point - walleye spawning point - gradual slope - bottom bouncers and spinners or crankbait while trolling
9. North Shore - deep water walleye - crankbaits (plugs)
10. Old River structure - deep water walleye 11' - 20' depth - crankbaits (plugs)
11. Submerged islands provide structure

Northern Pike

- A Beaver dam - spoons and crankbait (plugs)
- B Shallow bay
- C Old tree stump area - casting method used here
- D Sharp drop-off to submerged trees - large jigs
- E Trolling area
- F G H I Shoreline trolling
- J Open water trolling 4' - 7' depth
- K Trophy size northern pike area - large crankbaits and spoons - shallow water in Petaigan Bay - use caution in locating these shallows
- L M N O Open water trolling 4' - 7'

Special Regulations for Tobin Lake Only

To maintain the high quality trophy fishery, the following regulatory changes are now in effect:

- no walleye or sauger between 55 cm (21.7 in.) and 86 cm (33.9 in.) long may be retained
- no northern pike between 75 cm (29.5 in.) and 115 cm (45.3 in.) may be retained
- barbless hooks are mandatory

These **protected-slot-size limits** and **barbless hook regulations** are in effect from the Francois-Finlay Dam to the E.B. Campbell Dam and have been extended to include all portions of the Petaigan River which flow into Petaigan Bay on Tobin Lake.

Tobin Lake Records

- World Record Walleye Ice Fishing - 18.30 lbs. January 4, 2005
- Provincial Record Walleye - 18.30 lbs. January 4, 2005
- Provincial Live Release Walleye - 18.06 lbs. September 22, 1997

Host Lake for these tournaments:

- Shorebird Inn Championship
- Sask. Premier's Cup
- Vanity Cup
- Fish for Freedom
